

ORION 32180 -NORTHSTARROBOTICS-

We are a robotics team based in Carmel, Indiana with a hope to make a difference for Youth in STEAM in our community! This week we are incredibly thrilled to continue our manufacturing journey, completing our drive train, and starting to work more on both social media and awards! We are also delighted to announce that we officially have all parts of our field and are continuing to assemble the DECODE season field parts!

LEADERSHIP UPDATES!

With the assembly of the Drive Train, we are coming close to the end of the manufacturing subseason and coming close to the beginning of Programming's prime time for testing and the beginning of driver selection! Keep in mind that Drive Team selection *is* merit based and any interest in particular positions will be taken into account.

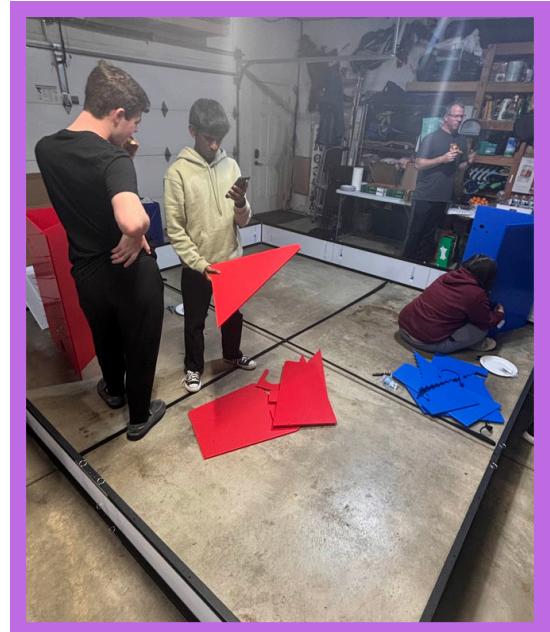

STUDENT SPOTLIGHT!

Anthony Nguyen is a Mechanical primary member and one of the most active Programming secondary members. He has dedicated an outstanding amount of time to helping both subteams through build season!

"This team is more personal. I have been on bigger teams before, but on this team, there is more friendship; better friendship than in other places. It's more like a family."

- Anthony Nguyen 2025

SUBTEAM SPOTLIGHT!

Business is one of Orion | NorthStarRobotics's three subteams. It is responsible for social media, supporter/sponsor relations, fundraising, awards, and the newsletters!

Recently, Business has filmed some exciting videos that will soon be uploaded to social media!

Lead: Sage Ryker, Caroline Kerr

Subteam primary members: 4

Subteam secondary members: 5
