

ORION 32180 -NORTHSTARROBOTICS-

Welcome back from Thanksgiving Break! We all hope that you had a happy holiday and will continue to have happy holidays as we expand out into the season. This week, we have been busy in creating applications for Drive Team and the Interests forms for next season. In addition, multiple of our amazing students and mentors volunteered and explored the first FTC event of the FIN season on 12/06/2025 and were delighted to learn more about what future competitions will look like!

STUDENT SPOTLIGHT!

Ben Sparks is a highly dedicated member of Orion | NorthStarRobotics, making valuable contributions across both the Mechanical and Business subteams. His willingness to jump in and assist with any task has made him an indispensable team member. Through his efforts in design, manufacturing, and business operations, Ben has played a key role in strengthening every aspect of the team. His reliability and versatility are truly appreciated by all.

"I like being a part of North Star Robotics because it has a lot of different types of people and is all inclusive." - Ben Sparks 2025
